Campers at Odds Over Who to Cheer for at Annual Volleyball Game

By Arielle Davis, 8.3, and Maddie Pels, 10.5

Every year during a Noontime Show, there is a volleyball game in the 7th floor gym. This year, it is Friday, July 16th. It is Staff vs. CIT vs. Interns. At one point, the CITs had a long winning streak. Then the Staff started winning and has kept winning ever since. We are waiting for the Interns to catch up with the CITs and Staff. Maddie is rooting for anyone *but the Staff*, while Arielle isn't sure. Pick your side and hope for the best!

A Great, Big Thank You!

By Spencer Shapiro, 14.1

We would like to thank Jackson Hole for all the delicious ice cream they donated to us for our Ice Cream Blowout after the Hat Day Parade. The ice cream was amazing, as it always is. I know everyone looked forward to the ice cream because besides the thrill of showing the judges your hat, the Ice Cream Blowout was the best part of Hat Day! So a BIG thank you to Jackson Hole!

Juggling Comes Easier Second Time Around

By Destinee Ross, 14.9

So far, my classes have been pretty good. I especially like Improv Olympics and Cirque Du CA. In Improv Olympics, we have a lot of fun games to play. We learn new games and we play familiar and fun games too. It's the last period of the day, so it is a good way to let go and just be silly and have fun. In Cirque Du CA, we learn tons of really cool and fun things you would see in a circus! It's really exciting when we learn how to juggle, use the Devil Sticks, and play with the multi-colored scarves. It's a good opportunity for me to re-learn how to juggle. I can't wait until these classes are continued today, tomorrow, and for the remainder of camp! I'm really happy with my choices!

Party with Purpose at the July Benefit

By Alexander Epstein, 14.4

On Wednesday, July 21, parents, friends, and former campers are invited to Creative Arts' 3rd July Benefit. The Benefit will start with the Evening Noontime Show featuring dazzling camper displays of dancing, music, and more (see attached). Afterwards, those over 21 may attend a cocktail reception in Sacred Heart's ballroom and are invited to participate in the Silent Auction and Raffle. For \$20 a ticket, participants in the raffle can win prizes like a three-night luxury trip for two to Las Vegas or a three-night stay for two in a resort in Jamaica. Suzanne, Creative Arts' director, says the Benefit proceeds will go to the Creative Arts Scholarship Fund, which provides financial assistance to 25% of Creative Arts campers and supports many others. While Creative Arts appreciates any donation, a single ticket to the Benefit, the Evening Noontime Show, or the Raffle makes a difference. Tickets to the Benefit and the Raffle are available online at creativeartsnyc.org and Raffle tickets can also be purchased at Nightingale before camp starts. Creative Arts alums can attend at a lowered rate. Suzanne and the Benefit Coordinator, Becky LeBlond, are dedicated to making the Benefit a success, but it can only succeed with the help of the Creative Arts community. Remember, as Suzanne told *The Heartbeat*, "every little bit counts."

A Stompin' Good Time

By Emilia Goued, 8.5

Stomp the Yard is a really good class to be in because it's not just a class, it's exercise too! In Stomp the Yard, kids get to use not only themselves, but also staffs, pots, pans, Frisbees, pot lids, and spoons to make different rhythms. Stomp the Yard is a really good class. If you get a chance to take it, I hope you have fun!

Horoscope

By Elie Levine, 12.1, and Vivian Jackson, 9.2

Aries – You will witness something involving a Leo, a four-leaf-clover, a famous painting, and a Creative Arts T-Shirt.

Taurus – You will receive a mysterious letter that leads to extreme fortune.

Gemini – You will find your soul mate while eating pizza.

Cancer – You will become a secret agent for the FBI (Shh! It's a secret!). Happy birthday, by the way!

Leo – You will meet three famous people in the next minute and suffer a sprained wrist.

Virgo – You will find a dragon that convinces you to engage in good works.

Libra – You will take a new risk and embrace a new challenge.

Scorpio – You will become famous and conquer the world. People will greet you by saying "All hail, Ruler of the world."

Sagittarius – You will find treasure (either that you can touch or that you can't touch), and you will learn to fly.

Capricorn – You will face a great loss, but learn a great lesson.

Aquarius – Start taking swimming lessons. Don't ask us why.

Pisces – You will become a puzzle maker. You will also do ten things you have never wanted to do and enjoy them.

Broadway Bound in SYTYCD Class

By Isabel Maun, 13.6

I am in So You Think You Can Dance. This class is based on the TV show and we are put in groups in which we compete. Alyssa, who teaches us the different routines, is our choreographer. Now we are learning Broadway dance. We are dancing to "Kids" from the musical *Bye Bye Birdie*. It is really funny because the older kids play the kids while the younger ones play the parents. We all have a lot of fun and learn teamwork all at once! I can't wait to learn more dances and have fun with my group!

Having the Time of My Life

By Sofia Dolben-Mantilla, 10.3

The musical *Mamma Mia* is wonderful. I saw it on July 2nd with my father and my sisters, Maria and Carlota. It was fun and funny. My whole family enjoyed it. I have the autographs of two of the actors because we waited outside the stage door. It was awesome! My family and I love to go to funny musicals. You should see *Mamma Mia*—the actors dance and sing very well. I had a great time!

Come and meet those dancing feet! On the Avenue we're taking you to 92nd Street!

Fun is Law in Cops and Robbers

Photo Story

By Allen Delgado, 9.4

In photography, we have been working on photo stories like cops and robbers, super heroes and villains, pet stores, and karate. The stories are like themes for our pictures. My favorite photo story was cops and robbers because I liked being the policeman. I really enjoy my photography class very much and am learning to like photography. I also like doing photography with the people in my class. I like our class a lot!
