# KIDZZZ BOP

By Lina Teplitsky-Kahn, age 12, Sonia Servedio, age 12, and Giulia Chiodi, age 12 (and the headline drawing by Sam Manson, age 8)

**T**his past weekend, we had a sit-down with Lina's younger sister, Ella, age 5, who is in Kids Club.

**HEARTBEAT:** *What are you most excited for this year at CAA?*

**ELLA:** I am most excited for The Gazillion Bubble Show because I want to go in the big bubble.

**HEARTBEAT:** *What is your favorite part of the day at Kids Club?*

**ELLA:** My favorite part of the day is dancing with Sofia because I'm really excited to perform the dance. We did many dances so far but one of my favorites was to Talk by Kahild.

**HEARTBEAT:** *What art have you made in art class?*

**ELLA:** I have made a crown with cardboard and paint, and I've made many sketches of

hearts, flowers, and my sister and I. My favorite sketch is one that I made where there's candy and ice cream rain, and my sister and I are standing under eating it.

**HEARTBEAT:** *What are you learning in swimming?*

**ELLA:** In swimming, I learned how to float and I learned how to jump off of a diving board. My favorite jump is the pencil jump because it's fun. But the cannonball is also a lot of fun.

**HEARTBEAT:** *What was your favorite noontime show so far?*

**ELLA:** My favorite noontime show was when we sang "Let It Go" from Frozen because it is my favorite movie, (along with Snow White and the Seven Dwarves), and it was also my favorite because I got to sit with my sister and I love my sister. I can't wait for the rest of the noontime shows!

Ella, age 5 and Lina Teplitsky-Kahn, age 12

**HEARTBEAT:** *Who is your favorite counselor and why?*

**ELLA:** I love ♥, love ♥, love ♥, love ♥, love ♥ Sofia because she is so nice and fun.

**HEARTBEAT:** *What makes camp special to you?*

**ELLA:** The most special part of the day is swimming and seeing Sofia every day!

*Lina speaks Swiss German, Sonia is a quokka, and Giulia speaks a special cool version of Italian that only she knows.*

## Kids Club vs. Choice Camp By Sam Manson, age 8, and Kelly Gentry, staff

*A look into the mind of enigmatic camper Sam Manson*

**KELLY:** What's the big difference between Kids Camp and Choice Camp?

**SAM:** Kids camp is younger and you don't get to choose your classes. I like getting to choose which classes I'm going to take. Kids Camp has the same schedule everyday, so I like that I got to choose what I wanted.

**KELLY:** What's your favorite part of choice camp?

**SAM:** Everything! But my favorite class is Music TECHNO-logy! I like getting to use GarageBand.

**KELLY:** What's your favorite part of being in Heartbeat Newspaper?

**SAM:** My favorite part of newspaper is changing the **FONTS** on the computer.

**KELLY:** What is something that you're looking forward to at camp?

**SAM:** I'm looking forward to see the Play That Goes Wrong and Hat Day. My hat for Hat Day is going to be based on Lord Garmadon from the Lego Ninjago show!

## I know it's July 10 but we had a story about the Fourth of July that we wanted to run because this is an excellent story and this is the longest headline ever in *Heartbeat* history. Happy belated, USA!

By Avery Walker, *age 11*, Dylan Marcell, *age 9*, and Alessia Venini, *age 10*

The 4th of July (American Independence Day) was last week on Thursday. Some things that people did on The 4th of July were watch colorful fireworks and impressive parades. Alessia went to her mom's best friend's house in Brooklyn. She always invites her friends. When it was time to see the fireworks, all of them went upstairs on the roof to see the show. After the fireworks were over, they all went downstairs and had cupcakes.

Avery always goes to Lake Charlevoix in Michigan for the week of the 4th of July. On the 4th of July, she goes to see the parade in Boyne City. There are a lot of floats there and squirt water at you and throw out candy such as Smarties and Dum Dums. After the parade, they went home to swim. At sometime in the day, Avery

and her Mom made red, white, and blue strawberries. At roughly 10:30, they went to see the fireworks and went to bed after.

Dylan started his 4th of July in Cape Cod. He had a lot of friends, but they were older than him by 4 years. Dylan had fun playing in the water and baseball with his friends. In Cape Cod, there were amazing fireworks. There was a parade and patriotic things. Dylan said that Massachusetts is the most patriotic state in the USA. It was sad when he came back to NY because it's nicer in Cape Cod. Even though he got a few bug bites, he didn't mind.

Even though we loved celebrating USA's birthday, we are also very excited to be back at camp especially knowing we're going to see a play tomorrow!

## Comic Sans: To use or not to use, that is the question

By Ava Van Dusen and Michael Gonzalez who are still both 11

A lot of people don't like Comic Sans MS, and we want to find out why. So we asked campers to give us their opinion and we found that:

- 7 people don't like it. (I'm sorry people)
- 2 think that it's fine
- 2 would never use it, but it doesn't matter that much
- 2 don't know and don't care
- 1 is thinking over his choice of topic for this article with his partner "\\_(^)/\_/"

### HERE'S THE REASONING.

Certain people feel like Comic Sans is way too casual, and it's something their kindergarten teachers might use to look cool, and fun, but it's really just a bad font. It makes sense to us because originally, Comic Sans was created for a little cartoon dog to speak in. Then people began to use it to advertise things, and it just wasn't meant for that. Comic Sans is not a professional business font and I don't ever think it will be, but some people still like it and that's fine. Fonts don't matter all that much. At least, to most people...

In conclusion, we think that people like professional business fonts like Times New Roman and/or EB Garamond. Footnote: Intern Meg's favorite font is papyrus.
