

# YOU GOT A (SUAVE) FRIEND IN ME

By Lily Barlow, age 9 and Anne Pospisil, age 9

**S**uave Day was a huge success with Nick acting as emcee. The CIT's and interns dressed their best with a fashion show to start it all off.

Sofia and Lucia led "Dancing Queen" with everyone on stage dancing along. Most of them rocked the dance floor with their moves. The CIT and interns then invited the whole camp to sing and clap along to "You've Got a Friend in Me" from Toy Story. We asked Heartbeat members who dressed the best and you can

see from the chart on the right ... that majority of the Heartbeat staff thinks Nina was the best dressed, with 5 votes, followed by Henry, with 4. Well done CITS/Interns.

## SUAVE DAY BEST DRESSED POLL

## Director Dan the Man Talks By Preston Farnkel, age 14

As we all know, this year is Dan's first year as camp director, so I interviewed him to see what it's like to step in Suzanne's shoes.

**PRESTON:** How has your first Summer as camp director been going so far?

**DAN:** Fantastic. It's been exciting to see everybody return and to work with new people.

**PRESTON:** What has been easy?

**DAN:** Not a lot has been easy, hahaha, but we've managed to keep the program running as it was intended to run.

**PRESTON:** What differences have you noticed between the camp under Suzanne and the camp under you?

**DAN:** There haven't been many. I like that the energy of both the kids and staff is very positive.

**PRESTON:** Has there been a lot of pressure put on you running the camp? Is it stressful?

**DAN:** Yes. Suzanne's shoes are impossible to fill.

**PRESTON:** What's your favorite part of the job?

**DAN:** Watching the kids have fun.

**PRESTON:** Least favorite?

**DAN:** No nuts, no gum, and no flip-flops.

**PRESTON:** What was the best moment you've had at this camp, as director or not?

**DAN:** Watching the kids experience *The Play That Goes Wrong*, and watching them laugh for two hours straight.

**PRESTON:** What do you look forward to in CAA?

**DAN:** Seeing everybody again. Campers, staff, and families.

**PRESTON:** Thank you for your time.

**DAN:** Thank you.

Help Eson find his way to the singing elevator before Kelly leaves him!

## The Ups and Downs of the Singing Elevator

By Ava Van Dusen, age 11

Most of you know Eson as a counselor here at CAA. last week though, He believes something unimaginably evil happened to him. (Kelly rode in the “singing elevator” without him) but my question is “Did it really happen?” So let’s see...

### AN INTERVIEW WITH KELLY:

**Heartbeat:** *What is the singing elevator?*

**Kelly:** The singing elevator is the cage elevator and Eson made it the “singing” elevator last summer by asking everyone who’s in the elevator to sing on their ride up to their first period.

**Heartbeat:** *Why didn’t you wait for Eson?*

**Kelly:** I walked out onto the staircase and saw Pete there with the button pushed, but I didn’t see Eson, so I just left.

**Heartbeat:** *Are you sorry for leaving your friend behind?*

**Kelly:** I mean, I got a lot of laughs out of it, but yes. Even though I will probably do it again.

**Heartbeat:** *Did Eson do anything to deserve this?*

**Kelly:** Sometimes, he just asks me to edit everything. You know, just sometimes I need a break. Don’t listen to Eson. He exaggerates.

### AN INTERVIEW WITH ESON:

**Heartbeat:** *How does this tragic event make you feel?*

**Eson:** I cried for 20 minutes and the only person who could console me was Wyatt. We went to Eli’s after camp.

**Heartbeat:** *Do you think Kelly would do it again?*

**Eson:** Kelly has shown no remorse and I think it’s ironic because we are in Sacred Heart’s building, and yet she has no heart, and so, YES, I think she indeed will do it again.

**Heartbeat:** *Did you do anything to deserve this?*

**Eson:** Nope. I usually WAIT for Kelly before leaving ...

**WHOSE SIDE ARE YOU ON? TEAM KELLY OR TEAM ESON?**
